

# Inclusive special needs equipment support from Smirthwaite for the church community

Our mission is to partner with churches to enrich the lives of all individuals with disabilities.

The church is a welcoming space for everyone to connect and experience spiritual growth together.

Smirthwaite provide high-quality, bespoke and user-friendly pediatric equipment designed to support individuals physical and emotional development. Our products are crafted with care, ensuring safety, comfort, and durability.

Our joint mission with the church is to create an inclusive environment where everyone can thrive, regardless of age or needs. We aim to develop innovative, user-friendly, and sustainable support solutions, accompanied by compassionate guidance, to foster communities that strengthen faith, enhance self-esteem, and promote overall well-being.

Smirthwaite's leading pediatric equipment will help create a more comfortable and engaging learning environment for all members of our church family; all ages and abilities.

Our vision is to live in a world that's inclusive of everyone. Working closely with children, parents, caregivers and therapists, we have developed a comprehensive range of seating, standing, toileting & bathing, changing & showering products including a new plus range.

Our range of special needs products help individuals become more independent; contributing to more happier and more fulfilling lives.

Supporting children & their families **for life**

supporting children and  
their families for life

# welcome

Since 1986, Smirthwaite has developed and retained its reputation as one of the leading designers & manufacturers of additional needs equipment. In that time, we’ve dedicated ourselves to finding and providing effective solutions that offer significant benefits to babies, children and young adults in their daily lives. Working closely with children, parents, carers and therapists, we have developed a comprehensive range of seating, standing, tables, desks, toileting, bathing, changing, showering, and therapy products.

## Changing & Showering

Our range of disabled changing tables and showering products help users become more independent. They’re also designed to give carers confidence while working with the user.

We’ve taken great care to create a range of products that will help make your life simpler. For example, some of our disabled changing tables are mobile and need no installation.

We have products that are suitable for wet and dry conditions and for all budgets.

Many of the products can be set to a safe and suitable working height to reduce the risk of back injury to the carer. This also applies to our wall mounted products.

Our changing and showering products are suitable for both children and adults. Plus, we offer a fitment service and various service plans to keep your products in tip-top condition.

## Innovation in our design

Additional needs equipment is often overly complex, difficult to use and expensive to maintain. At Smirthwaite, we believe in well-made, easy to use products that stand the test of time. Through close consultation with leading therapists, parents and end users, we ensure our designs offer numerous clinical benefits whilst maintaining a customer-centric and innovative approach.

## Easy to clean

All of our products are easy to clean. For instance, our wooden chairs have anti-microbial properties that ensure surfaces are kept hygienic. This helps to reduce any risk of cross infection and is especially useful in multi-user environments such as nurseries and schools.

All our upholstery is carefully chosen due to its clever material make up that contains antibacterial agents that help against the spread of MRSA, E coli and other bacteria.

## Warranty & servicing

All of our products come with a two year warranty as standard. An inspection, maintenance, service and repair facility for all Smirthwaite products is available to you, for complete peace of mind. This can be scheduled at a time that is convenient for you.

Call our Customer Services team today on **212 541 2455** or e-mail **info@smirthwaite.com** to book your service, inspection or repair.

# easi-lift changing bench

## No floor fixing

Most height-adjustable changing tables require fitting to both the wall and floor. The Easi-Lift Changing Bench has been designed to require wall fixing only. This is particularly beneficial where the type of floor, surface pipe work or cabling prevent floor installation.

## Reduces back injury

The Easi-Lift Changing Bench has a travel range of 17.7 - 37.4 inches to meet varying needs and the bench can easily be set to a safe and suitable working height to help prevent the risk of back injury to the carer.

## Space saving design

Easi-Lift Changing Bench is a compact, electrically operated wall-mounted changing bench designed to fit in a dry room environment where space is at a minimum, folding away to save space after use.

## Technical data

- No floor fixing required
- Weight capacity of 330lbs
- Travel range of 17.7 - 37.4 inches

## Standard key features

Electrically operated

Folds away to save space

Stowaway safety rail

Requires wall fixing only

# hi-riser

(powder coated for dry rooms and stainless steel for bath rooms)

### Robust yet slimline

Hi-Riser is an electrically operated wall-mounted changing table that is suitable for children and adults of up to 441lbs. Despite its robust structure, the Hi-Riser has a slimline design that ensures it fits easily into most environments.

### Easy transfers

The Hi-Riser has been designed so that it can be used with most mobile or ceiling hoists. The unique safety side rail stows away, streamlining access for transfers from a wheelchair, shower and toileting chair. The Hi-Riser also benefits from an impressive travel range of 24in in height.

### Providing options

We understand that every need is different, which is why the Hi-riser comes in seven different sizes that cater from young children through to adults. The Hi-Riser comes in a cream powder coated frame for dry-rooms or stainless steel frame for bath-rooms (not suitable for direct water contact).

### Two in one

The Hi-Riser shower stretcher is an easy to use two-in-one wall and floor mounted showering and changing table. Its robust yet slimline design makes it suitable for children and adults of up to 330lbs. Its versatility means it offers the ideal solution for swimming, hydrotherapy and bathroom environments.

### Comfortable & hygienic

The Hi-Riser Shower Stretcher has been designed with reinforced PVC, making it highly supportive yet soft and comfortable to lie on. Its stainless steel frame facilitates easy cleaning, making it a perfect choice for multi-user environments.

### Quick drainage

The Hi-Riser Shower Stretcher is supplied with flexible pipe work to use with a suitable floor drain or, alternatively, it can be plumbed in. Water can easily be drained away using the drainage pipe, which can also be detached for cleaning purposes.

# mobi changer

### Room to room

The Mobi Changer is a fully mobile changing table that requires no installation or attachments. Its compact and slimline design means it can be easily maneuvered from room to room, offering an extremely cost effective option for multi-transfer or multi-user environments.

### Height adjustable

The electrically operated Mobi Changer provides an excellent travel range of 37.4in in height and can be lowered and elevated at the touch of a button. Safe and suitable working heights can be easily achieved which helps prevent the risk of back injury to the caregiver.

### Easy transfers

The Mobi Changer has been designed to ensure sufficient clearance for a wide number of hoists. Its mobility and unique stowaway side rails enable safe and easy handling. Whether you are transferring from a bed, wheelchair or toileting chair, the Mobi Changer is the perfect solution.

# mobi heavy duty changer

### Meeting bariatric needs

The Mobi Heavy Duty Changer has been designed to meet the needs of bariatric users. Its powerful 12K Newton motor, coupled with the extra wide mattress platform, makes it the ideal solution.

### Maneuverability

The benefit of the Mobi range of products is that they do not require any wall mounting or floor attachments. They are easy to maneuver which means that the user can be transported from room to room with no trouble (door opening has to be 43.3in or more).

### Height adjustable

The Mobi Heavy Duty Changer is electronically operated, which makes adjusting the height of the table simple, this is beneficial for both the caregiver and user.

# mobi heavy duty changer

## key features

# mobi shower trolley

### Safe showering

For many children and adults, conventional methods of bathing and showering can be difficult and even hazardous. The Mobi Shower Trolley is a powered, height-adjustable shower trolley specifically designed to enable the user to be safely and easily washed or showered by their caregiver.

### Reduces back injury

The Mobi Shower Trolley offers a range of height adjustments to enable the caregiver to shower and change the user at a safe and suitable working height. This reduces the risk of back injury for the caregiver.

### Stowaway side rails

The Mobi Shower Trolley has been designed with two unique safety side rails that can be easily stowed away beneath the trolley. This allows maximum clearance for safe, easy transfer and use.

# shower stretcher fixed height

### Economical solution

The Shower Stretcher Fixed Height is our entry-level product and an economical washing and showering solution for the user. This durable and slimline product represents real value for money.

### Makes bathing easier

The Shower Stretcher Fixed Height is designed to allow the washing or showering of the user while in a horizontal position. It can be fixed directly above a bath making it the perfect solution for the home.

### Added headrest

The Shower Stretcher Fixed Height, along with all of our shower stretchers, can be enhanced with the optional integral vinyl headrest. The headrest features a paddle lift adjustment, which allows it to be locked securely into the desired position.
